How To Redeem

Treat yourself to an array of rewards with your VRPoints.

1

Browse from a list of attractive rewards on the in-app Rewards Catalogue.

2

Select your preferred reward and tap on 'Redeem'.

3

Success! Your reward is now in your app wallet!

How To Use Rewards

Use your redeemed vouchers at the point of payment in-store.

Note: Members who redeem the Mapletree eVoucher in-app is required to convert the eVoucher into a physical Mapletree voucher at our Level 1 Customer Service Counter before presenting it for use at tenant stores.

1

Access your app wallet and select reward for use.

2

Select the relevant reward and tap on 'Use Deal Now' to activate the in-app camera function.

3

Scan store QR code and confirm voucher usage.

4

Success! Happy shopping!
